**INTERNATIONAL UNION, UAW’S LIMITED RESPONSE AND
STATEMENT OF CONCURRENCE REGARDING THE COURT’S
ORDER REGARDING IDENTIFYING LEGAL ISSUES RELATING TO
CONFIRMATION**

Limited Response And Statement of Concurrence

The International Union, United Automobile, Aerospace and
Agricultural Implement Workers of America (“UAW”) files this limited response
and statement of concurrence regarding the Court’s May 23, 2014 Order Regarding
Identifying Legal Issues Related to Confirmation (the “Order”).

The UAW and City of Detroit (the “City”) are parties to a Stipulation
Regarding Proposed Order Modifying Certain Deadlines Established in the Fourth
Amended Order Establishing Procedures, Deadlines and Hearing Dates Relating to
the Debtor’s Plan of Adjustment (the “Stipulation”) [Docket No. 4617] in which
the parties agreed, among other things, that certain deadlines in the Fourth
Amended Scheduling Order should be modified as to the City and the UAW. With

regard to the Stipulation, the Court entered the Corrected Order Modifying Certain Deadlines Established in the Fourth Amended Order Establishing Procedures, Deadlines and Hearing Dates relating to the Debtor's Plan of Adjustment on May 12, 2014 [Docket No. 4617] ("Order Approving the Stipulation").

Under the Order Approving the Stipulation, the UAW's time to file and serve an objection (or, in accordance with the terms of the Stipulation, to serve a conditional objection) to confirmation of the Debtor's plan was extended to June 22, 2014. In addition, under the Order Approving the Stipulation, and to the extent not filed on the docket earlier, the UAW's time to file and serve a conditional objection, was extended to July 17, 2014. Accordingly, because the UAW has not served or filed an objection to confirmation of the plan at this time, and may do so until either June 22 or July 17, the Court's May 23rd Order does not require a filing by the UAW at this time.

UAW concurs in the request by the Official Committee of Retirees, the Retired Detroit Police & Fire Fighters Association, the Detroit Retired City Employees Association and certain other creditors in their Response to Order Requiring Identification of Legal Issues Relating to Confirmation [Docket No. 5050] that the Court defer any decision on the classification or underlying substantive issues identified by the Objectors and/or the City in their responses to

the Court's Order until a later date, after the dates set forth in the Stipulation and Corrected Order, in order to permit the UAW to address such issues.
